

The Freestyle Connection

An outstanding show with a great message!

The best way to catch the attention of your students is through a mind-blowing **BMX Stunt Show!** The Freestyle Connection includes messages about bicycle safety, doing your best, healthy living, drug and tobacco free, anti-bullying, staying in school and more throughout this professional and exciting BMX stunt demonstration!

Great for any occasion or just for fun!

Great for Red Ribbon Week, Field Days, Family Nights or any time you need a fantastic Character Ed message! This program incorporates awesome tricks and humorous skits choreographed to crowd pumping music.

Choose from outdoor or indoor program formats.

Outdoors, The Box Jump Show: our most popular school assembly. This show involves ramp riding on a 5ft portable box jump and flatland ground moves. Riders will switch on the microphone throughout the show that is choreographed to exciting music and incorporates exciting and humorous skits. This show is roughly 40 minutes long. **Indoors, The Ultimate BMX Show:** Includes a quarter pipe ramp for big air and a box jump for trick variations. We can set inside a school gym with high ceilings. This entire set up is portable and can fit through a single door (ramps fold up and roll on casters). The two ramps allow riders to perform more tricks providing more action! This show is choreographed to great music and involves fun skits.

Audience: K-12 **Capacity:** 400

Presentation Time: 40 to 45 minutes

Assembly Requirements: All shows need to be within 300ft of an electrical outlet. Show area should be flat & smooth free of large cracks and pot holes (Concrete or pavement is ideal) we cannot perform on grass, dirt or gravel. If using ramps indoors we will supply mats to protect gym floors. **Outdoors, The Box Jump Show:** 5ft box jump outside (3ft spine ramp indoors), 3 riders (2 ramp & 1 flat). Allow 40 minutes for set up and 40 minutes for tear down. Presentation Area: 140ft length by 30ft in width. In the event of poor weather show will be performed indoors with a smaller ramp. **Indoors, The Ultimate BMX Show:** Two large ramps (Quarter Pipe and Box Jump) 3 - 4 riders. 1 hour for set up & 1 hour for tear down. Presentation Area: Full sized basketball court, approx. 94ft by 50ft, with 18ft to 20ft high ceilings.
