DESCRIPTION:

“The Hip Hop Handbook” is a brand for outstanding urban education and entertainment. From school assemblies to instructional videos our company of **world class performers and entertainers** bring you the best in hip hop culture. This year we are pleased to present a mobile DJ service designed specifically for schools and school related functions. We make custom playlists, facilitate activities, provide expert dance instruction and ultimately create the perfect environment for your students. Our world class DJ’s and dancers have years of experience and perform hundreds of shows annually.

**PRICING: Starting at ...**
