Outstanding School Assemblies

Unique Game Show

Ensures 100% participation with exciting activities and friendly competition.

The Unique Game Show uses multi-media trivia and team-building activities to combine team spirit, character education, and curriculum enforcement into one program. Based on a foundation of sportsmanship and teamwork, the multi-media game show is sure to motivate, educate, and inspire your school!

Customizable to fit within your school's curriculum.

Each game show can be customized to your school's needs. Our most popular program features core subjects: history, science, English, and math. Fire Prevention, Black History Month, Math Olympics, and Reading Incentive are only a few examples of other subjects to which the program can be tailored.

The Multi-Media Game Show

During the Unique Game Show, students answer curriculum questions enhanced by video projection and music effects. The game includes physical challenges and other team activities. Students earn points by answering correctly and by helping their teammates. Students practice concepts as they work together to solve problems and motivate one another.

Unique Game Show

Program Specifications

Presentation Time:

Fifty minutes.

Set-Up Time:

One hour.

Take-Down Time:

Twenty minutes.

Maximum Audience Size Per Game Show:

300-400 Students.

Before the Show:

- We will help you determine the right number of teams.
- Please make sure there are an equal number of students from **each age group** on each team—this helps create an appropriate game atmosphere for all ages.
- **Choose a staff member to captain each team** who will assist rotating team members for each round and choosing participants for challenge activities.
- **Encourage students to wear their team colors** on the day of the show. Team spirit always earns points!
- **Encourage staff members to join teams.** Staff participation is a huge plus for the game show, your students, and for YOU!
- **Please see the Multi-Media Game Show on the next page.**

Unique Game Show
