YOUTH MOVER

Brandon Lee White

Motivational Youth Speaker

Youth Mover, Brandon Lee White, delivers a high-energy, entertaining, and effective program for youth across the country. As a professional ballroom dance instructor and motivational youth speaker, Brandon incorporates **"teamwork, courage, character, self-discipline, exercise, and anti-bullying"**. Teachers comment on how students that are usually reluctant to interact open up during this program. In addition, Brandon uses examples from sports, dance, and pop culture to relate to the students and make a connection. Students enjoy the high-energy and humor that Brandon brings all while mixing in powerful messages that leave a lasting impact.

Customized Message

Brandon pulls students from the audience to interact in dance examples, stories, and demonstrations. Other times, he has everyone stand up in place to participate. Over the course of 45-60 minutes, students laugh, shout, dance, and are deeply moved while learning about **"The Courage for Character."**

Energetic, Humorous, Impactful!

This presentation helps move students on the inside so that they move towards success on the outside. It can be customized to meet the needs of any age k-12.
